Product Description

Use our premium 1700w Brentwood AF-2400SI 24-Quart Convection Air Fryer Toaster Oven to also broil, bake, and even dehydrate food. The built-in air fryer quickly circulates super hot air giving your favorite foods a deliciously crispy texture without all the fat and calories of traditional deep fried foods. Features an adjustable temperature up to 450°F, 60-minute timer, stay-on mode, and 5 accessories to get you cooking A to Z.
