White-Westinghouse 20 KG Auto Washer

Product Gallery

A central image of the washing machine is surrounded by six feature callouts, each with an icon and a brief description. The callouts are: 1. Filter sticks fluff to the agitator. Retaining all lint from clothes after washer. (Icon: filter) 2. Rapid cycle 25 mins. Efficient washing ideal for slightly soiled clothes. (Icon: clock) 3. Normal program with water reuse. Saves washer and rinse water allowing reuse. (Icon: water drop) 4. 12 washing programs, easy to choose. (Icon: 12 in a circle) 5. Step forward function. More flexibility and control of your time. (Icon: right arrow) 6. Duvet washing program. Special for cleaning Duvets, bedding and baths. (Icon: duvet symbol)
